The Halifax Chapter picked a Best Bloom of Show from the ten bloom on the first ballot. Then the runner-up was moved up to take the spot vacated by the Best of Show. Then they picked a Best Overall Single and a best overall Double and the runner-up was advanced to fill these spots. After this a Best of Class was picked. It was announced to the judges before voting that if a seedling took any one of these it would be the contender for the D. U. Donaldson award. "Splash Down" was the seedling that was picked for the best overall single and is the seedling on which tickets were sold.
